

The Allen Stegall Excellence in IT Memorial Scholarship Application

Eligibility Criteria

Applicants must meet the following criteria:

- Currently working in the 911/public safety communications industry.
 - Demonstrated commitment to professional growth and service in the field.
 - Must be able to attend the conference October 4-7, 2026 with approval from their supervisor for the time off work.
-

Application Requirements

Applicants must submit the following materials:

1. A completed **Scholarship Application Form** (see below).
 2. A summary of work/volunteer experience in public safety communications.
 3. A letter of recommendation from a supervisor or professional colleague.
 4. Provide a brief description of your role within the 911 community and explain how attending the conference would contribute to your professional growth:
-

Application Process

- Applications must be submitted by **August 24, 2026**
 - Completed applications should be sent via email to **pknights@sdrrmaps.com**
 - Late or incomplete applications will not be considered.
-

Selection Process

Applications will be reviewed by a selection committee appointed by SDR, Inc. The recipient will be selected based on demonstrated dedication to the 911 profession, career goals, and the ability to reflect the values and legacy of Allen Stegall.

The recipient will be notified by **September 1, 2026**.
